SALYERSVILLE - The Salyersville Masonic Lodge will be holding a cornerstone ceremony at the new Magoffin County High School this Sunday.

The Masonic cornerstone ceremony has a long history that began ancient times. It is customary for the Masonic fraternity to lay cornerstones in public buildings, such as schools, when requested to do so. A cornerstone ceremony is only conducted by the Grand Master and officers.

The new Magoffin County High School will be blessed with a Masonic cornerstone and ceremony on Sunday, July 31 at 1 p.m. In accordance to practice, the cornerstone will be placed in the northeast corner of the building. There will be a time capsule placed inside the cornerstone, which is customary so that should the lapse of time or if the building is destroyed, there will be an enduring record of our culture and history preserved.

The public is invited to attend the ceremony and join the Masonic fraternity in dedicating the cornerstone for the new Magoffin County High School.
